Dried Tart Cherries From the Republic of Turkey: Preliminary Affirmative Countervailing Duty Determination

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that countervailable subsidies are being provided to producers and exporters of dried tart cherries (cherries) from the Republic of Turkey (Turkey). The period of investigation is January 1, 2018 through December 31, 2018. Interested parties are invited to comment on this preliminary determination.

DATES: Applicable September 27, 2019.

FOR FURTHER INFORMATION CONTACT: Ajay Menon or Maria Tatarska, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-1993 or (202) 482-1562, respectively.

SUPPLEMENTARY INFORMATION:

Background

This preliminary determination is made in accordance with section 703(b) of the Tariff Act of 1930, as amended (the Act). Commerce published the notice of initiation of this investigation on May 20, 2019.¹ On July 3, 2019, Commerce postponed the preliminary determination of this investigation and the revised deadline is now September

¹ See *Dried Tart Cherries from the Republic of Turkey: Initiation of Countervailing Duty Investigation*, 84 FR 22813 (May 20, 2019) (*Initiation Notice*).

20, 2019.² For a complete description of the events that followed the initiation of this investigation, see the Preliminary Decision Memorandum.³ A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix II to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and is available to all parties in the Central Records Unit, Room B8024 of the main Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content.

Scope of the Investigation

The product covered by this investigation is cherries from Turkey. For a complete description of the scope of this investigation, see Appendix I.

Scope Comments

In accordance with the preamble to Commerce's regulations,⁴ the *Initiation Notice* set aside a period of time for parties to raise issues regarding product coverage (i.e., scope).⁵ No interested party commented on the scope of the investigation as it appeared in the *Initiation Notice*.

Methodology

Commerce is conducting this investigation in accordance with section 701 of the Act. For each of the subsidy programs found countervailable, Commerce preliminarily determines that there is a subsidy, i.e., a financial contribution by an "authority" that gives rise to a benefit to the recipient, and that the subsidy is specific.⁶

Commerce notes that, in making these findings, we relied in total on facts available and, because we find that

neither the Government of Turkey nor the mandatory respondents acted to the best of their ability to respond to Commerce's requests for information, we drew an adverse inference in selecting from among the facts otherwise available.⁷ For further information, see "Use of Facts Otherwise Available and Adverse Inferences" in the Preliminary Decision Memorandum.

All-Others Rate

Sections 703(d) and 705(c)(5)(A) of the Act provide that in the preliminary determination, Commerce shall determine an estimated all-others rate for companies not individually examined. This rate shall be an amount equal to the weighted average of the estimated subsidy rates established for those companies individually examined, excluding any zero and *de minimis* rates and any rates based entirely under section 776 of the Act.

Pursuant to section 705(c)(5)(A)(ii) of the Act, if the individual estimated countervailable subsidy rates established for all exporters and producers individually examined are zero, *de minimis* or determined based entirely on facts otherwise available, Commerce may use any reasonable method to establish the estimated subsidy rate for all other producers or exporters. In this investigation, we preliminarily determined the individually estimated subsidy rate for each of the individually examined respondents based entirely on facts available under section 776 of the Act. Consequently, pursuant to sections 703(d) and 705(c)(5)(A)(ii) of the Act, we have established the all-others rate by applying the countervailable subsidy rate assigned to the mandatory respondents.

Preliminary Determination

Commerce preliminarily determines that the following estimated countervailable subsidy rates exist:

Company	Subsidy rate (percent)
Isik Tarim Urunleri Sanayi ve Ticaret A.S	204.93
Yamanlar Tarim Urunleri	204.93
All Others	204.93

Suspension of Liquidation

In accordance with section 703(d)(1)(B) and (d)(2) of the Act, Commerce will direct U.S. Customs and

Border Protection (CBP) to suspend liquidation of entries of subject merchandise as described in the scope of the investigation section entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**. Further, pursuant to 19 CFR 351.205(d), Commerce will instruct CBP to require a cash deposit equal to the rates indicated above.

Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties in this preliminary determination within five days of its public announcement, or if there is no public announcement, within five days of the date of this notice in accordance with 19 CFR 351.224(b).

Verification

Because the examined respondents in this investigation did not provide information requested by Commerce and Commerce preliminarily determines each of the examined respondents to have been uncooperative, it will not conduct verification.

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than 30 days after the date of publication of the preliminary determination. Rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than five days after the deadline date for case briefs.⁸ Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this investigation are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce within 30 days after the date of publication of this notice. Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at the U.S. Department of Commerce, 1401

International Trade Commission Notification

In accordance with section 703(f) of the Act, we will notify the International Trade Commission (ITC) of our determination. If the final determination is affirmative, the ITC will determine before the later of 120 days after the date of this preliminary determination or 45 days after the final determination.

Notification to Interested Parties

This determination is issued and published pursuant to sections 703(f) and 777(i) of the Act and 19 CFR 351.205(c).

Dated: September 20, 2019.

Jeffrey I. Kessler,

Assistant Secretary for Enforcement and Compliance.

Appendix I

Scope of the Investigation

The scope of this investigation covers dried tart cherries, which may also be referred to as, *e.g.*, dried sour cherries or dried red tart cherries. Dried tart cherries may be processed from any variety of tart cherries. Tart cherries are generally classified as *Prunus cerasus*. Types of tart cherries include, but are not limited to, Amarelle, Kutahya, Lutowka, Montmorency, Morello, and Oblacinska. Dried tart cherries are covered by the scope of this investigation regardless of the horticulture method through which the cherries were produced (*e.g.*, organic or not), whether or not they contain any added sugar or other sweetening matter, whether or not they are coated in oil or rice flour, whether infused or not infused, and regardless of the infusion ingredients, including sugar, sucrose, fruit juice, and any other infusion ingredients. The scope includes partially rehydrated dried tart cherries that retain the character of dried fruit. The subject merchandise covers all shapes, sizes, and colors of dried tart cherries, whether pitted or unpitted, and whether whole, chopped, minced, crumbled, broken, or otherwise reduced in size. The scope covers dried tart cherries in all types of packaging, regardless of the size or packaging material.

Included in the scope of this investigation are dried tart cherries that otherwise meet the definition above that are packaged with non-subject products, including, but not limited to, mixtures of dried fruits and mixtures of dried fruits and nuts, where the smallest individual packaging unit of any such product contains a majority (*i.e.*, 50 percent or more) of dried tart cherries by dry net weight. Only the dried tart cherry components of such products are covered by this investigation; the scope does not include the non-subject components of such products.

Included in the scope of this investigation are dried tart cherries that have been further processed in a third country, including but not limited to processing by stabilizing, preserving, sweetening, adding oil or syrup, coating, chopping, mincing, crumbling, packaging with non-subject products, or other packaging, or any other processing that would not otherwise remove the merchandise from the scope of the investigation if performed in the country of manufacture of the dried tart cherries.

Excluded from the scope of this investigation are dried tart cherries that have been incorporated as an ingredient in finished bakery and confectionary items (cakes, cookies, candy, granola bars, *etc.*).

The subject merchandise is currently classifiable under 0813.40.3000 of the Harmonized Tariff Schedule of the United States (HTSUS). The subject merchandise may also enter under subheadings 0813.40.9000, 0813.50.0020, 0813.50.0060, 2006.00.2000, 2006.00.5000, and 2008.60.0060. The HTSUS subheadings set forth above are provided for convenience and U.S. customs purposes only. The written description of the scope is dispositive.

Hardwood Plywood Products From the People's Republic of China: Rescission of Antidumping Duty New Shipper Review; 2019

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce is rescinding the new shipper review of the antidumping duty order on hardwood plywood products from the People's Republic of China for the period January 1, 2019, through June 30, 2019, based on the timely withdrawal of the request for review.

DATES: Applicable September 27, 2019.

FOR FURTHER INFORMATION CONTACT: Jasun Moy, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401

Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–8194.

Background

On January 4, 2018, the Department of Commerce (Commerce) published the antidumping duty order on hardwood plywood products (plywood) from the People's Republic of China (China).¹ On July 30, 2019, Commerce received a timely new shipper review (NSR) request from Xuzhou Constant Forest Industry Co., Ltd. (Constant Forest), in accordance with section 751(a)(2)(B)(i) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(c).² On August 27, 2019, in accordance with section 751(a)(2)(B) of the Act, and 19 CFR 351.214(b), Commerce initiated a NSR of the antidumping duty order on plywood from China with respect to Constant Forest.³ On September 12, 2019, Constant Forest timely withdrew its request for a NSR.⁴

Rescission of Review

Pursuant to 19 CFR 351.214(f)(1), Commerce will rescind a NSR, in whole or in part, if the party that requested the review withdraws its request within 60 days of the publication date of the notice of initiation of the requested review. Constant Forest withdrew its request for review within the 60-day deadline. Because Commerce received no other requests for review of Constant Forest, we are rescinding the NSR covering the period January 1, 2019 through June 30, 2019, in full, in accordance with 19 CFR 351.214(f)(1). Consequently, we will continue to treat Constant Forest as part of the China-wide entity.

Assessment

Because we are rescinding the NSR of Constant Forest, we are not making a determination as to whether Constant Forest qualifies for a separate rate. Therefore, we will continue to treat Constant Forest a part of the China-wide entity and any entries covered by this NSR will be assessed at the China-wide rate. The China-wide entity is not under
